PROGRAMME AND ACTIVITIES FOR THE YEAR 2024-25

World Autism Day

Autism Day Celebration | 02/04/2024:

Introduction:

The Autism Day celebration held on 02nd April 2024 marked a significant milestone in our on-going efforts to promote awareness, understanding, and acceptance of autism spectrum disorder (ASD) within our community. Autism Day, observed annually on April 2nd, serves as a global platform to highlight the unique strengths and challenges of individuals with autism and to advocate for inclusivity and support.

This year's Autism Day celebration was a culmination of meticulous planning, heartfelt dedication, and enthusiastic participation from various stakeholders, including individuals with autism, their families and educators of Shradha and community members. The event aimed not only to celebrate the diversity and talents of individuals on the autism spectrum but also to foster a culture of empathy, inclusion, and acceptance.

Event Overview:

The event took place at Shradha. The celebration kicked off with warm welcome and opening remarks by Mr Kartik Chandra Pandab, Secretary, Shradha and Mr Pasupatinath Chatarjee, President, Shradha, setting the stage for a day filled with engaging activities, insightful discussions, and opportunities for meaningful connections. The event was structured to offer a blend of informative sessions, creative expressions, and interactive experiences, ensuring a holistic and enriching experience for all participants.

Throughout the day, attendees had the opportunity to participate in a range of activities, including:

- 1- Awareness Workshops:** Informative workshops were conducted to increase understanding and awareness of autism spectrum disorder. Topics covered included autism myths and facts, strategies for supporting individuals with autism, and promoting inclusive environments.
- 2- Interactive Sessions:** Engaging and interactive sessions were held to promote dialogue, sharing of experiences, and mutual learning. Participants had the opportunity to engage in discussions on topics such as sensory processing, communication strategies, and inclusive education.
- 3- Panel Discussions:** Expert-led panel discussions provided valuable insights into current trends, best practices, and challenges in the field of autism advocacy, education, and support services. Panellists included professionals, advocates, and individuals with lived experiences of autism.

The event concluded with a closing ceremony, where achievements were celebrated, and gratitude was expressed to all participants and contributors, and commitments were made to continue promoting autism awareness, acceptance, and inclusion beyond the celebration.

Conclusion:

The Autism Day celebration was not just a one-day event but a catalyst for on-going initiatives and efforts to create a more inclusive and supportive society for individuals with autism and their families.
